The Platform for Aluminum & Lightweight of Transportation Equipment

Aluminum in Transportation Applications Forum 2015

(Initial Programme)  Kingworld Hotel, Chongqing, China       April 14- 15, 2015

Hosted by: China Nonferrous Metals Industry Association
Co-hosted by: Chongqing Qijiang Industrial Park
Chongqing Zhonghuan Shengshi Exhibition Co., Ltd.

Organized by: Beijing Antaike Information Development Co., Ltd.

Background of the forum

Aluminum is the preferential material for energy saving and emission reduction, which plays an important role in lightweight of transportation equipments. Along with deepening process of China’s urbanization and industrialization, China’s transportation industry has made considerable achievements, provided aluminum with unprecedented market space and development opportunity, contained huge growth potential.

The conference will focus on subject of Aluminum & Lightweight of Transportation Equipments, invite experts and representatives of transportation sector to deeply discuss current status and development prospect of China’s aluminum applications in transportation sector, as well as new progresses, new concepts and new trends of global aluminum applications in transportation. It is aimed to gather power from aluminum production sector and transportation sector, jointly promote lightweight process of China’s transportation sector.

Objects of the forum

- Show development progresses of aluminum applications in China's transportation sector.
- To provide the most important commercial platform for lightweight of transportation equipments.
- Share successful experiences of aluminum applications in transportation both in China and abroad.
- Expand new sector of aluminum applications in transportation.

Topics focus on

- Current status and prospect of aluminum applications in transportation in China.
- New progresses, new concepts and new trends of global aluminum applications in transportation.
How do aluminum fabrication enterprises seize opportunities and take up missions for transportation lightweight?

**Panel topics**

- Analysis of Aluminum in Transportation Applications in China (Beijing Antaike Information Development Co., Ltd.)
- Prospect of Aluminum Applications in Southwest Transportation Market (Southwest Aluminum (Group) Co., Ltd.)
- Current Status and Prospect of Aluminum Applications in Transportation Sector in Japan (JAA)
- Development Plan for Energy Saving and New Energy Vehicles (China Association of Automobile Manufactures)
- Current Status and Internationalization Process of China’s Auto Aluminum Wheels Industry (Wheel Committee of China Association of Automobile Manufacturers)
- Go out of China’s High-speed Rail and Demand for Aluminum Semis (China CSR Corporation)
- Demand Prospect of China’s Aluminum Intensive Coal Vehicles (CNR Qiqihar Railway Rolling Stock Co., Ltd.)
- Global Aviation Manufacturing Industry’s Demand for Aluminum Semis (Aleris)
- Overseas Production Status and Market Development Prospect of Auto Body Sheet (Novelis)
- Applications of Large-sized Aluminum Profile in Rail Vehicles (Sapa)
- Development Direction of Aluminum and Aluminum Alloy Materials and the Application in Auto Sector (General Research Institute for Nonferrous Metals)

Some presentations are in invitation………

Attendee

- Officials from government such as Ministry of Science and Technology, Ministry of Railways, Ministry of Transport and Ministry of Housing and Urban-Rural Development, etc.
- Academy of Engineering, universities and research institutes
- Aluminum associations and automobile industry associations from abroad, relevant research institutes
- Aluminum smelters, aluminum semis producers, aluminum parts producers
- Producers of automobile, rail vehicles and aviation sector
- News media and professional periodical institution

It’s expected that over 300 people included 50 foreign delegates will participate in the conference to make it a real international giant gathering. Please don’t hesitate to join us.

Sponsorship & exhibition opportunities

Showcase your company, increase your brand awareness and enhance your networking opportunities by becoming a sponsor of Aluminum in Transportation Applications Forum 2015.

Use this unique opportunity to

- Generate new business
  
  *Meet many international and local customers face-to-face*
- Promote your products/services
  
  *Raise your company’s profile*
- Enhance your presence
  
  *Stand out from the crowd*

What’s available?

- Cocktail reception
  
  *Network and welcome potential clients with you prominent branding*
- Host a dinner, lunch
  
  *Entertain a large number of existing and potential clients*
- Coffee break sponsor
  
  *Get your message across with high visibility branding*
- Delegate bag sponsor
  
  *Your company logo on the move for maximum effect*
- Small-sized exhibition booths, documentation, catalogue display can be arranged upon request.
Registration Form

- US$800 for registration on or before Mar. 15, 2015  (yes/no)
US$1,000 for registration after Mar. 15, 2015  (yes/no)
- Hotel Reservation Form (yes/no)
- Invitation Letter for Visa  (yes/no) and my passport number is: ____________
